

WHAT IS SCHOOLOGY?

Schoology is an easy-to-use platform for students, teachers, and families. This learning management system allows for streamlined classroom communication, student grading, and curriculum distribution. To learn more: <https://www.schoology.com/home.php>

FEATURES FOR FAMILIES

Schoology resembles Facebook in format and functionality. Using your child's Schoology access code on the Powerschool Parent Portal, you can use many valuable features. Families can view their child's discussion posts, graded assignments, team photos, and upcoming calendar events. Parents can control their notifications to choose to receive emails and text messages when their child's courses are updated.
